

A close-up portrait of an elderly woman with short, wavy white hair and striking green eyes. She has a gentle, slightly smiling expression. She is wearing a vibrant red jacket over a dark, textured garment. The background is a soft, out-of-focus light gray.

RESETTLEMENT

EKSMISJA

the art of choosing on what side to be.

An unique polish couple in their 80s. After living for 66 years in their flat they have to move out.

While Maria is an extraordinary spirit full of undominable optimism and vitality - Tadeusz is a silent scientist and a fatalist. Now they have to fight their existential disaster that unveils the touching stories of their life.
